

MEMORANDUM

TO: Mayor and Members of Council

FROM: Evonne Kovach, Municipal Manager

RE: Work Session Items

DATE: March 30, 2012

Laws & Rules:

International Property Maintenance Code

There is some additional language that is recommended to be incorporated into the International Property Maintenance Code (IPMC). These items will be reviewed at the Work Session.

Please note that this matter was addressed at the March 6, 2012 Council meeting with the first reading by title only of Ordinance No. 2012-10-L&R. This ordinance will come before Council at the April 17, 2012 for the second reading and disposition. It is my understanding that since Council Member Waltherr will not be present at the April 17, 2012 Council meeting, the consensus of Council was to postpone Ordinance Nos. 2012-4 through 10-L&R to the May 1, 2012 regular Council to allow Mrs. Waltherr to lead the discussion on these matters. That being the case and with the numerous modifications to Ordinance No. 2012-10-L&F, the recommendation is to postpone indefinitely Ordinance No. 10-2012, and introduce this issue as a new item under New Business at the May 1, 2012 regular Council meeting..

Community Development:

There will be a general discussion regarding the Municipal Parking lot and the American Legion building.
