## *Patrol Officer*

**1. How long have you been with the Greenhills Police Department?**

Since 2007.

**2. What kind of jobs have you had, and where were they?**

I enlisted in the US Navy right out of high school and was stationed aboard a destroyer in Pearl Harbor, Hawaii. Upon leaving the Navy I came back and began work as a 911 Operator/Police and Fire Dispatcher for Hamilton County, Ohio. I put myself through the Police Academy and started my law enforcement career as a Park Ranger at Winton Woods.

**3. What commendations have you had?**

I have received numerous letters of commendation from supervisors, other departments, residents and citizens, all of which I am proud of.

**4. What are the best cases you have worked?**

The case of a stolen credit card that was used at a Kroger and the suspect used their own Kroger Plus Card. Got to get your fuel points even when your using a stolen credit card!

**5. What things do you love or like about Greenhills?**

Greenhills is where I grew up so it's home to me.

**6. What do you see as Greenhill's biggest issue and how do you feel it should be fixed?**

At this moment I think traffic related offenses are the biggest issue with speeding, distracted driving and aggressive drivers. Traffic crashes seem to have become more of an issue over the past year resulting in more injuries and even a fatality.

**7. What do you want people to know about the Greenhills Police Department?**

Greenhills really is a great place to work. It is run and managed by very competent supervisors and command staff. Everyone within the police department genuinely cares about the well-being of the community and the people within the community.
