

Greenhills Police Department Monthly Report

March - April 2016

Dear Mayor and Members of Council:

The following is a summary of the activities of the Greenhills Police Department during the past month:

- Greenhills officers participated in a myriad of training activities during the past month:
 - On March 17, Lieutenant Anne Ward, Sergeant Tim Lukes, and Officers Tony Patton and Eric Tricase attended Officer Safety Awareness Training at the Great Oaks Police Academy that was provided by the FBI;
 - From March 29 through April 1, Lieutenant Ward and Clerk Vonda Secoy attended the conference for the Commission on Accreditation for Law Enforcement Agencies in St. Louis in preparation for our upcoming on-site assessment in December;
 - On April 7, Officers Andy Moore, Mike Spinelli, and Cameron Guilfoyle attended the eight hour Youth Mental Health First Aid course in Blue Ash. The course typically is offered at a cost of \$170 per officer but this was funded through a grant and offered to us at no cost.
 - On April 15, Lieutenant Ward and I attended training in Columbus on the new state collaborative initiative that governs the use of force and recruitment;
 - This month, all officers are completing online training through the Ohio Peace Officers Training Academy on Crisis Conflict Management.
- At its March 22 meeting, Council enacted changes to our animal ordinance aimed at more effective enforcement, particularly when dogs are vicious or dangerous. New restrictions were placed in the ordinance addressing situations where either other domestic animals or persons are injured or killed. New policies were provided to officers the following day explaining the provisions of the new legislation.
- You may recall that last year our Mayor's Court changed from a for-profit collection agency and began utilizing the collection arm of the Ohio Attorney General's office. On March 23, Clerk Vonda Secoy received a call from a former Mayor's Court defendant. He had owed the Court \$177 since 2014 for a driver's license violation. He told us that we had his money. He had received a letter from the Attorney General telling him that his Ohio Income Tax refund was being sent to us instead of him because of his debt. This was one of the features that caused us to begin using the Attorney General's service, allowing us to receive monies lawfully due to the court that otherwise goes unpaid.
- On March 28, Lieutenant Ward and I met with Steve Stuhlreyer, a Licensed Professional Clinical Counselor who offers psychological services in Finneytown. He grew up here and wanted to offer his services to the community. We are setting up a meeting for him with several of our officers to design an in-house training module to better equip officers to deal with persons with mental health and addiction issues. We are also working on a future community event on addition that will help family members deal with addicts. The event will also include our own narcotics detective, as well as investigators from the regional Drug Abuse Reduction Task Force and the Hamilton County Heroin Task Force.

- On April 1, I met with representatives of the Greenhills-Forest Park Kiwanis Club to plan for the annual Pioneer Days Run on Saturday, June 25. The event will be followed by the Pioneer Days Parade.
- On April 12, a group consisting of the clergy and retired police officers, concerned for officer safety in today's volatile world, provided Bibles to all of our officers.
- On April 21, I met with former Council Member Chris Visnich and other members of the Greenhills Community Presbyterian Church to discuss collaborative projects between the church and the police department.
- On Thursday, May 19, we will be conducting our Second Community-Wide Neighborhood Watch Meeting at the Village Troubadour. The Troubadour will re-open for dinner at 6 PM and the meeting will start at 7 PM. The meeting is primarily for those residents who could not attend the meeting in November, and will cover much of the same ground. A new segment will be presented by the Hamilton County Emergency Management Agency on emergency preparedness. I hope to have some of our Citizens Police Academy alumni in attendance so they can talk about the upcoming 2nd CPA. I would also like to use this meeting as a springboard for the Municipal Manager's Park Meetings, where we can also discuss any specific neighborhood concerns that residents have, and we hope to have CPA grads from that neighborhood in attendance at those meetings as well.
- Jim Miller, the organizer of the summer Village Concert Series, has asked that the police department be recognized during the intermission of the concert on Wednesday, June 8 at approximately 7:45 PM. The alumni of our inaugural Citizens Police Academy class will be coordinating this event.
- We will be conducting a police officer entry-level examination at 9 AM on Saturday, June 11th.
- On Thursday, September 15, we plan to kick off our second CPA class. It will continue bi-weekly on Thursdays for five weeks on September 29, October 13, October 27, and finish up on November 10. We already have four applicants.
- During the month of March, the department investigated five accidents (up from three in March of 2015), six crimes (up from two last March), and 205 other incidents (down from 249 last March). Of a total of 614 contacts (763 last March), 298 were dispatched or received by telephone as compared to 309 last March, and 316 were self-initiated by police officers as compared to 454 last March. The department provided assistance to the public in 94 instances (96 times last March), assisted other agencies 45 times (down from 56 times last March), and made 32 criminal arrests (compared to 38 last March) and 55 traffic arrests (85 last March). Each crime was analyzed for geographic, temporal, and other factors. Details are attached.

Very Respectfully,

Neil R. Ferdelman

Neil R. Ferdelman
Chief of Police
