## FOR IMMEDIATE RELEASE:

### **SUSPECT CHARGED WITH HEROIN TRAFFICKING**

A Forest Park man was charged with two felony counts of Trafficking in Drugs after attempting to sell 1.2 grams of heroin to undercover police officers yesterday afternoon in Greenhills. Agents of the regional Drug Abuse Reduction Task Force (DART) and officers from the Greenhills Police Department arrested Jamie D. Holloway, 22, in front of 2 Eswin Street in Greenhills. After he was transported to the Hamilton County Justice Center, additional drugs – 3.5 grams of crack cocaine – were found concealed inside his person, resulting in the second felony drug charge. Holloway has a history of drug arrests.

The Greenhills Police Department rejoined DART last year and has supplied officers to the task force, which combats drug trafficking throughout Hamilton County. Undercover Greenhills and Forest Park officers were both involved with this arrest, along with uniformed Greenhills officers.

This latest arrest is a continuing string of enforcement efforts in our community against drugs, particularly targeting heroin.

Last week, Daron Tatum, 23, Cincinnati, was arrested in Greenhills and charged with Drug Possession, Possession of Drug Paraphernalia, Carrying a Concealed Weapon, and having Weapons While Under Disability. Tatum had a digital scale with drug residue in his vehicle. He was carrying a loaded 40 caliber pistol and almost \$2,700 in cash. The money has been seized pending a forfeiture application.

On March 26, a Greenhills officer was investigating a vehicle being driven erratically northbound on Winton Road just before it went off the side of the road while travelling into Forest Park. The Greenhills resident was found to be overdosing on heroin and had heroin on his person.

Greenhills Police Chief Neil Ferdelman stated, *“The Greenhills Police Department is committed to combatting the sale of any illicit drugs in our community, and we are particularly focused on heroin, which is destroying lives on a daily basis. Our strong association with DART provides us with the tools to effectively fight the dealers. If you are selling drugs in Greenhills, we are coming for you.”*
