# Greenhills Police Scores State Final Certification in Community Engagement

Greenhills is a community with involved citizens, and they have participated with us in many community events. These include Coffee with a Cop, Citizens Police Academies, Self Defense courses, Park Talks, a Bike Rodeo, and an upcoming Teen Academy. **Lieutenant Anne Ward**, shown at left, handles our compliance with the national *Commission on Accreditation for Law Enforcement Agencies*, and our state compliance with the *Ohio Collaborative*. The Collaborative recently developed a new standard covering “Community Engagement.” On February 12<sup>th</sup>, the State of Ohio awarded us Final Certification in this area. In our 2019 Annual Report, we noted that “*the Greenhills Police Department is the very model of community-oriented policing.*” The State of Ohio agrees!

In addition to the Community Engagement recognition, the department also received final certification for compliance in Bias Free Policing, Investigation of Employee Misconduct, Use of Force, and Recruitment and Hiring.

## Two New Motorola Portable Police Radios Ordered Locally at Mobilcomm

We have been systematically replacing our complement of portable police radios that date back to 2004 for the past several years. Those older radios, previously in front line service, are obsolete and are no longer repairable since parts are not available. In 2020, we are down to the last two replacements, and those were ordered on January 29<sup>th</sup>. When the order was placed at Mobilcomm here in Greenhills, we received a grant that reduced their cost by half. When they arrive and are placed into service, all of our radios will be current, and we will retain the older radios as spares as long as they still work.

# Teen Academy Begins!

The Forest Park and Greenhills Police Departments, working cooperatively with the Winton Woods City School district, proudly present the **“Warrior Academy - the Student Police Experience.”** The “Warrior Academy” is a unique, six-week, hands-on exploration into the oftentimes misunderstood world of law enforcement. Students participating in this once in a life time journey will learn what police officers do, and more importantly, why they do it.

Students will learn and experience first-hand dealing with citizen encounters, domestic disputes, traffic stops using radar and laser to measure speed, police lethal and non-lethal weapons, emergency vehicle driving, and much more. The goal of the program is to have fun, but more importantly it is an attempt to bridge the gap of understanding between youth, police, and the schools. So, if you have ever wondered or been asked, *“Why are the police doing that?”* then come find out. Because in this program, you are the cop!

- Program is aimed at Greenhills-Forest Park students in the **10<sup>th</sup> or 11<sup>th</sup> grade**;
- Held on Tuesdays, starting **March 10<sup>th</sup> – April 21<sup>st</sup>** from **3:30 PM until 5:30 PM** at the Senior Center, 11555 Winton Road in Forest Park. Food and transportation home will be provided;
- Course content will include policing duties, training, community involvement, special assignments, shooting simulations, pursuit simulator, tour of the 911 Center and a look inside a law enforcement helicopter;

*If your student is interested, call us at the Greenhills Police Department at **513-825-2101** or at the Forest Park Police Department at **513-595-5220**.*
