Christmas Spirit Strikes Early

The Greenhills Police Department is getting into the Christmas Spirit early with three initiatives:

1. **Greenhills Residents Holiday Light Contest**

   Last year, our officers were very impressed by the holiday spirit of Greenhills residents. In patrolling our neighborhoods, officers decided they wanted to recognize the efforts of our residents in spreading holiday cheer. Once again this year, gift certificates will be awarded to the residents on both sides of town who in the opinion of our patrol officers have the best holiday decorations. This contest is in addition to the Mayor’s yearly awards. Last year’s winners are shown above.

2. **Shop With a Cop!**

   We will be conducting Shop With a Cop to make the holidays just a little brighter for Greenhills kids in need. The officers will accompany children who will be able to pick out their Christmas gifts up to a designated limit. Some of last year’s participants are shown at right. Funds donated by generous community residents provide for the gifts. *If you know of needy children in our community, tell us about them! Send us some information about them on our Contact Us portion of our website, click here, or call us at (513) 825-2101.*

3. **Sweets for Seniors and Shut-ins**

   During our recent ice storm, we checked in on some of our infirm elderly neighbors and disabled residents to ensure their safety. We would like to re-visit them with some Christmas treats. To ensure that we don’t miss anyone, *if you know of a resident who has difficulty getting out and who might enjoy some holiday treats, tell us about them! Send us some information about them on our Contact Us portion of our website, click here, or call us at (513) 825-2101.*

   *None of these initiatives would be possible without the generous donations of Greenhills citizens. To them we are truly grateful!*
