

Officer Phillip Means

Patrol Officer

1. How long have you been with the Greenhills Police Department?

I have been with the Greenhills Police Department since April 24, 2017.

2. What commendations have you had?

I received a commendation for apprehending an armed robbery suspect from Forest Park and for alerting a resident that I had found his home was left unsecured.

3. What kind of other jobs have you had, and where were they?

I've had jobs such as working with Brinks Inc. delivering money, and I also worked in healthcare before going to the Police Academy.

4. What was the best case you ever worked on?

I have not been here long enough to have any cases stick out to me.

5. What things do you love or like about Greenhills?

I like that Greenhills is a small community where residents look out for each other. I also like all the events that Greenhills has, such as the Concert on the Commons, and the Citizens Police Academy.

6. What do you see as Greenhills' biggest issue and how do you feel it should be fixed?

I wouldn't consider it an issue, but I understand Greenhills is a very close-knit community, which is a plus. What could make the community even safer is to let the Greenhills Police Department know as soon as a resident sees something that does not look right. DO NOT be hesitant to call the police because that is what we are here for! Finally, to help reduce crime, make sure all your doors are locked and your garage doors are closed.

7. What do you want people to know about the Greenhills Police Department?

Greenhills Police Department is a very professional organization, and we definitely look out for the residents of our community and try to keep them safe.
