

Clerk Vonda Secoy

Police Clerk/Clerk of Court

1. How long have you been with the Greenhills Police Department?

I have been with the department since July 15, 2013.

2. What commendations have you had?

I have not received any commendations but I have had some very nice comments and notes from residents in the community.

3. What kind of other jobs have you had, and where were they?

I worked for ten years at the Hamilton County Sheriff's Department and ten plus years at Brookside Extended Care working with mentally and developmentally disabled individuals.

4. What was the most interesting or best thing you seen since you have worked at Greenhills Police?

One of the best things that I see is when kids come to the department to visit. It's always great when they seem excited to be here and talk with the Chief, officers or myself and leave excited instead of scared.

5. What things do you love or like about Greenhills?

I love that everyone looks out for each other and the functions that the Village offers such as the Concert on the Commons and Light up Greenhills.

6. What do you see as Greenhills' biggest issue and how do you feel it should be fixed?

Drugs are always a big concern, but that problem is everywhere not just in the village. I think sometimes that overshadows the small things that are still important. I think leaving a light on to deter crime, stopping at stop signs, driving a little slower through the neighborhoods etc. is important also. I don't know if there is a fix other than keeping in mind that these are your neighbors, friends and children and we need your help to keep them safe.

7. What do you want people to know about the Greenhills Police Department?

That the officers that work here are always willing to help out and go that extra mile as much as possible. Sometimes people want to know that their concerns are listened to and I think that is a big part of a small community police department is that everyone can voice their concerns on many different levels. Greenhills has a great Chief and great officers and it is a privilege to work here.
