Oct. 31-Nov 3; Nov. 7-10; Nov. 14-16; Nov. 21-23; November 28-30

NO LOOSE LEAVES WILL BE PICKED UP AFTER NOVEMBER 30, 2016

PLEASE:

- Do not rake leaves into the street or storm sewers as it causes flooding.
- Raked leaves must be closer than 3' for the leaf truck to be able to pick-up
- Do not rake twigs, branches, rocks, bottles, litter or paper in with leaves. Leaves *will not* be picked up as these items can clog and damage the leaf machine causing considerable delay to leaf collection.
- Avoid parking in front of large piles of leaves. It is difficult for the crew to work around parked cars and slows leaf collection. Situate leaf piles away from trees, sign posts and hydrants in order to speed collection.

Alternatively, Rumpke will pick up bagged leaves with normal garbage pick-up.
